

## Referring to the incorrect target

**group of** giraffe running  
on the field

The target is a giraffe  
instead group of giraffes

license plate on the back  
of a **black jeep**

The license plate is on a  
white car, not a black jeep

## Language Description contains ambiguity

**gray** coin being placed  
on a plane

Gray is ambiguous when  
describing the target.

**white cat** moving around  
a toy tiger on the blanket

white cat is inaccurate to  
describe the target

## Language Description has a typo

**girl by a boy** on the  
road

"girl by a boy" is a  
typo

the **angle** flying in the  
sky

"angle" is a typo
